

BART JASON G. EDADES

+63 950 489 3347 · wbartjason@gmail.com · [Portfolio](#) · [LinkedIn](#) · [GitHub: koise](#) · Antipolo, Rizal, Philippines

PROFESSIONAL SUMMARY

Results-driven Full-Stack Web Developer with hands-on experience delivering government-grade platforms, e-commerce solutions, and educational applications. Proficient in Laravel, Blade, React, Vue.js, and MySQL with a track record of shipping production systems serving 800+ users. Adept at collaborating in agile teams, building scalable architectures, and translating business requirements into clean, maintainable code.

PROFESSIONAL EXPERIENCE

Junior System Developer

March 2026 – Present

Transcend Enterprise Solutions — Antipolo, Rizal, Philippines (Hybrid)

- Delivered 3 full government web platforms through cross-functional team collaboration.
- Built and maintained service records, company records, job posting, and role-based user management modules.
- Engineered a database migration script processing 1,000+ Excel files with 15,000+ rows into a structured relational database.

Junior Web Developer (Internship)

Feb 2026 – Mar 2026

Transcend Enterprise Solutions — Antipolo, Rizal, Philippines (Hybrid)

- Designed a WordPress mockup landing page for the National Development Company (NDC).
- Implemented dimension and indicator tracking system for Excel templates used in the NYC-PYDI platform.

Shopify Admin Assistant (Freelance)

Sep 2025 – Dec 2025

Royal Global Food — Sydney, Australia (Remote)

- Improved UI/UX design and site performance resulting in a 38% increase in user engagement metrics.
- Integrated live chat, SEO analytics, and statistics reporting to enhance customer experience.
- Automated order processing and AU Post logistics integration, driving a 43% increase in sales.
